

Voluntary Registration

9-1-1 Communication

This voluntary registration program is intended to assist Brockville Emergency Services in providing appropriate response to 9-1-1 emergency calls where communication barriers exist. The information collected is strictly confidential; however, it may be shared with other emergency services.

Qualified registrants are residents of the City of Brockville and Counties of Leeds and Grenville with hearing loss that prevent their ability to communicate with 9-1-1 operators via regular telephone. In the event a 9-1-1 call is received from the registered address, information specific to the communication barrier will be available to the area emergency services.

Please note: The registration will remain active for 12 months. It will be the responsibility of the registrant to re-register prior to the expiry of the 12 months or upon a change of address.

Applicant (Please Print)	
Name:	
Address:	
Home Telephone:	TTY:
Cell Phone:	Do you use Text Messaging? Yes <input type="checkbox"/> No <input type="checkbox"/>
Email:	
Are you aware of the local CHS Office? Yes <input type="checkbox"/> No <input type="checkbox"/> (please check)	
Is your residence equipped with a visual smoke alarm or other type of alerting system to wake you during a fire or other emergency? Yes <input type="checkbox"/> No <input type="checkbox"/> (please check)	

NOTE: registration may be removed at any time by the registrant upon written notice to the Brockville Police Service.

I verify the above information is correct and authorize the Brockville Police Services to communicate this information with other emergency service agencies when deemed applicable.

Signed _____ Dated _____

Completed registration forms are to be returned to:
